

Top 10 Legit Ways to Make Money Online

Real ways to earn extra income from home —plus a quick tax tip!

1. Freelance Your Skills

☐

Offer writing, design, marketing, or admin services on sites like Upwork or Fiverr. Perfect for turning your skills into income.

2. Sell Products Online

☐

Use platforms like Etsy, eBay, or Amazon to sell handmade, vintage, or print-on-demand items.

3. Start Affiliate Marketing

☐

Promote products you love and earn commissions through Amazon Associates or CJ Affiliate.

4. Take Online Surveys

☐

Get paid to share your opinion with companies like Swagbucks, InboxDollars, or Survey Junkie.

5. Create YouTube or TikTok Content

☐

Monetize your videos with ads, sponsorships, or product links. Build an audience around your niche or hobby.

6. Start a Blog

☐

Use blogging to build traffic and monetize with ads, affiliate links, or digital product sales. Great for long-term passive income.

7. Offer Online Tutoring or Coaching

☐

Teach what you know on platforms like VIPKid, Wyzant, or through your own Zoom sessions.

8. Flip Items for Profit

☐

Buy and resell electronics, furniture, or collectibles locally or through online marketplaces.

9. Sell Digital Products

☐

Create and sell templates, ebooks, or courses on Gumroad, Etsy, or Teachable. Earn money while you sleep!

10. Do Microtasks or Website Testing

☐

Use sites like Amazon Mechanical Turk or UserTesting to earn cash for small online tasks or feedback.

Tax Tip for Online Earners: Even if it's a side hustle, online income is taxable. Track what you earn, save receipts, and use **ezTaxReturn** to file the easy way.
